## **Financial Aid**

**Program.** All new students can apply for Financial Aid, except those who want to major in Pharmacy. The Financial Aid relies on two important conditions: (1)The academic achievement of the student in school -especially grade 12- and the LIU Placement Test; (2)The financial need of the student. You also have the option to divide your tuition payments to four payments per semester, or eight payments per year. You can apply for Financial Aid through the online UMS or by contacting our office.
